

Client: Citizens Advice Bureau

Project: Conversion of public house to office facilities

Location: Spennymoor, Co Durham

Contract Duration: 13 month

Initially commissioned to carry out a feasibility study to assess the buildings potential suitability to meet the clients requirements. Subsequently engaged to provide our full project services to completely refurbish the property to provide modern office accommodation for staff and volunteers along with soundproof interview pods, comfortable waiting area and reception to enable the CAB to provide their services to the public in the region. Professional services provided by Wakefields included full design, specification, tender process, contract administration and construction monitoring.
