

**Client:** Private

**Project:** Maintenance and refurbishment works

**Location:** Hexham

**Contract Duration:** 3 month

Initially commissioned to undertake a Building Survey prior to the purchase of the property, Wakefields were employed to provide Contract Administration services in relation to the refurbishment and repair of the detached Coach House. Wakefields were subsequently retained to undertake the repair and maintenance works to the substantial house. This included the replacement of the windows with high quality timber framed double glazed units and the reinstatement of new decorative verge boards to replicate the original joinery details.
