

Client: Private

Project: Conversion and extension of attached byre

Location: Whitley Chapel, Hexham

Contract Duration: On-going

Wakefields have been commissioned to undertake the design and necessary Planning and Building Control Applications in relation to the extension and conversion of the attached byre at the above property. The works also include the refurbishment and alteration of the original cottage which dates back to the 18th Century. The project is currently on-going and Wakefields continue to act as Contract Administrators for the construction phase of the project.
